

Congratulations to
last month's winner!
Melissa K., age 10,
Centennial
Elementary

Anatomy Match-up

Draw a line from the body part to its definition.

Cerebellum	●	●	The piece that folds down over your windpipe when you swallow to keep your food from going down the wrong way.
Genes	●	●	The roof of your mouth.
Femur	●	●	A small, but powerful part of your brain that controls coordination, balance and movement.
Epiglottis	●	●	The two bumps on each side of the back of your mouth. Also known as "germ catchers."
Veins & Arteries	●	●	The largest bone in your body, found in your thigh.
Palate	●	●	The part of your ear that sticks off of your head.
Epidermis	●	●	Your skin.
Tonsils	●	●	The colorful ring in your eye.
Iris	●	●	A special code that is carried on DNA inside the cells of your body.
Pinna	●	●	Small tubes that deliver and take away blood to your body parts.

Two grand prize winners will each receive a Family Four Pack of Movie Tickets!
30 children will win a single ticket.

Free Popcorn every Tuesday with your Regal Crown Club Card.
